# LUMINA

**A NEW WOMEN'S CONFERENCE DESIGNED TO INSPIRE YOUR FAITH**

*Dear Church Community,*

We are excited to invite you to an extraordinary event designed to equip and encourage women to grow in living out their faith. This year's Lumina conference will be looking at the big question, "Who is God?" because once we know Him, absolutely everything changes. Our speakers include: Elizabeth Woodson, Jennie Allen, Lauren McAfee and more. Worship by Davy Flowers.

The Lumina conference is a two day experience. One full day of impactful worship and teaching in Museum of the Bible's World Stage Theater, and a half day tour led by an Inspire guide through Museum of the Bible's immersive exhibits.
